MEMBERS AND MISSION

The people behind the balance sheet.

USSFCU members · Washington, DC region

“The USSFCU behaves as a credit union ought to behave. The staff works with and for the members.”

Ruth · Takoma Park, MD · member since 1998

Deposits are not abstractions. They are the savings of the members USSFCU was built to serve, and what the recommended deposit strategy is designed to grow.

RESOLUTION OPTIONS

Three paths to close the gap, sized for the September board.

OPTION 1

Recommended

Targeted deposit campaign

A promotional certificate to the DMV core and Senate-alumni segments to lift shares quickly.

TIMELINE

2 to 4 weeks

COST

Low

LIQUIDITY IMPACT

High · +\$85M

OPTION 2

Standby funding line

Establish a contingent FHLB or corporate line for standby liquidity through Q1.

TIMELINE

4 to 6 weeks

COST

Low · standby fee

LIQUIDITY IMPACT

Medium · buffer

OPTION 3

Loan pacing and participations

Slow select loan categories or sell participations to rebalance the ratio.

TIMELINE

6 to 8 weeks

COST

Medium

TRADE-OFF

Foregone yield

1 These options are not mutually exclusive. The recommended path pairs the deposit campaign with a standby funding line to close the gap now and hold a buffer through Q1.

LEADERSHIP NEXT STEPS

Recommended actions, with owners and timeframes.

1

Approve the targeted deposit campaign

Launch to the DMV core and Senate-alumni segments.
